SII™ - Certificate in Corporate Finance Preparation Course

SII is the UK's largest and most widely respected professional body in the securities & investment industry. The Certificate in Corporate Finance is the only recognized certification offered in Greece on corporate finance. Attending the offered preparation courses designed by SII's approved professionals, candidates maximize chances to pass the rigorous exam and gain this supreme professional distinction.

The modular teaching and examination approach enables candidates to concentrate separately on regulation and technical material, and expand their skills, strengthen weaknesses and thus increase their success potential.

Module 1, Corporate Finance, covers 40 hrs of training, which will help you

- understand and analyze financial statements
- learn the characteristics of each type of financing chosen by companies
- explore the different ways in which we can arrive at a valuation of a company
- Understand the rationale behind M&A activities.
- Learn the documentation that surrounds corporate financial transactions

Module 2, Regulation, is presented in 20 hrs and ensures candidates have a basic knowledge of the regulation and legislation underpinning the international financial markets and the conduct of investment business in Europe's largest Financial Center

Methodology

The combination of carefully prepared workbooks by industry professionals and the large data base of practice questions and mock exams in a stimulating learning environment, results in an across-the-board well above average pass-rate.
