9M: '06/'07 result commentary

Sales increase by 24,53% is attributed to the strong brand name and the gap created in the market. Profit margins improved due to better pricing, own imports and cost containment per sq.m.

Management reiterated its major strategic goal, which is to increase domestic market share to 19% by 2009. This will lead to circa €300 mil. sales. The management has also set a Net Profit CAGR target of 15% for the following 3 years. In FY:06/07 Net Profit is expected to reach €7 mil. The company plans to maintain an attractive dividend policy.
