

### Company Profile

FLEXOPACK is a European **flexible packaging manufacturer** offering a great variety of products, with special emphasis **in co-extrusion of barrier and non-barrier films**. The company has a strong technical base in extrusion, bag-making, and printing. FLEXOPACK's primary market is the food industry. Other markets include the printing/conversion industry, personal care, medical, and agribusiness packaging.

Over the last five years it has experienced a significant sales growth and is constantly investing to remain at the cutting edge of the flexible packaging.

The company was founded in 1979 and entered the ASE in 1996.
