VRS Agreement with SENTIEO

VRS (Valuation & Research Specialists) are delighted to be part of FactSet Research Systems' redistribution partnership with Sentieo. Sentieo is a financial application built by former buy side analysts leveraging a powerful search engine for public documents, filings, presentations, and research reports. This partnership involves redistributing real time broker research to Sentieo utilizing FactSet's entitlement profiles and readership reporting. Sentieo is located in San Francisco, New York and New Delhi.

VRS (Valuation & Research Specialists) is an independent firm specializing in equity research covering the European and North American market as well as in macro, currency and commodity research. VRS places strong emphasis on tracking down as well as anticipating value related movements in the global capital and money markets.
