Founded in 2002, VRS (VALUATION & RESEARCH SPECIALISTS) is an independent firm based in Athens, Greece, with presence in Europe and North America, providing advanced equity research, quality valuations and value-related advisory services to local and international business entities.

VRS is a boutique financial advisor with more than 15 years of experience in Corporate Valuation and Finance, and a diversified client base including some of the largest Companies in Greece.

Since 2002, VRS has completed more than 200 engagements in the areas of business valuation and financial analysis for more than 100 clients in a wide range of industries.

VRS has been honored to work with small and large private and publicly traded companies in Europe and overseas.

VRS provides corporations with services in financial restructuring, valuation of business enterprises, intangible assets and tangible fixed assets, value enhancement and strategic expansion.

VRS also assists companies involved in mergers and acquisitions and tracks the market in order to offer advice on when to make public offerings and private placements.

VRS cooperates with international organizations, banks and strategic or institutional investors.

VRS has worked with over 200 companies in Greece and internationally in financing, private placements, initial public offerings, business acquisitions and mergers.
